To save space in the  
recyclable materials  
wheelie bin: fold and  
pull apart cardboard.

Small electrical appli-  
ances don't belong in  
the residual waste bin.  
Please take them to the  
recycling depot.

Batteries don't belong in the  
residual waste bin. Please  
take them to the recycling  
depot or return to retailer.

Bottles and glass  
go according to  
colour in the waste  
glass container.

Hazardous waste can be  
dropped off at the mobile  
hazardous waste collec-  
tion. Dates and times can  
be found online.
